WASCO GREENERGY BERHAD Announces Initial Public Offering

WASCO GREENERGY BERHAD has officially announced its Initial Public Offering (IPO) of ordinary shares, which coincides with its listing on the main market of **Bursa Malaysia Securities Berhad**. This announcement, made on **2 December 2025**, marks a significant milestone for the company as it seeks to enhance its visibility and access to capital markets.

The company has received a press release from the Issuing House detailing the level of subscription and the basis of allotment/allocation related to the IPO. This information is crucial for investors and stakeholders who are keen to understand the demand for the shares being offered.

Investors are encouraged to review the attached Issuing House Press Release for comprehensive insights into the subscription levels. This strategic move is expected to bolster Greenergy's operations and market presence.
